

Announcement of 5th international conference on innovative research on business development and economics

Fadwa El Guindi

University of Texas, USA

With immense pleasure and great honour we would like to invite you to attend the "[5th International Conference on Business Development and Economics](#)", which is scheduled for October 17-18, 2022 in Paris, France. This conference will be focusing on the theme "Advancements in Business Development and Economics" to engage, empower, evolve and explore knowledge among Academics and Industry Personnel, who are dealing with Business Development, Business Management, Economics, Business Research, Business Ethics, and Economic Growth, etc. This conference will focus on the core knowledge and major advances in the rapidly emerging Business Development fields by attracting eminent scholars, experts, and professionals globally..

[Longdom](#) organises leading international conferences and webinars and is instrumental in bringing together experts and beginners for cooperative and effective research-oriented discussions. The goal of Longdom conferences is to bring together scientists at every level from different disciplines to understand and discuss during programmed topic sessions and informal gatherings. Longdom conferences will showcase innovative, cutting-edge research on the fundamental roles in addressing the challenges and translational research from academia to industry. All these opportunities will support professional growth of younger scientists that will promote future collaborations and enhance participation and contribution to their exciting research work. Exciting oral sessions and poster sessions will reflect broad diversity of research and will include topics driving innovative efforts and provides maximal opportunity for scientific exchange respectively. Besides invited speakers, many speaker slots are chosen from submitted abstracts to ensure good representation of those who are new to the field, young investigators, and recent results. Contact us and we'll connect you with the right subject expert from our vast network of experienced operation professionals worldwide.

[Longdom conferences](#) also, encourage bright minds with special awards and certifications which are categorized to best speaker talks, best abstract, best poster award, outstanding young researcher award and the house of delegate awards. [Business Management 2022](#) scientific committee is responsible for recommending individuals for awards for consideration and approval. Winners of the awards will be considered to have presented an original scientific or technical study investigating a novel application or an innovative research approach, of a standard suitable for publication at an international level.

We encourage you to have a look on our official website and submit your speech abstract as the earliest, so that we can reserve your slot.
